UNCODED

[REDACTED] jet and training aircraft are stationed at Shkoder airfield. The field evidently has concrete runways because planes landing and taking off raise no dust. [REDACTED] Albania has about 50 aircraft, most of which are modern. [REDACTED] there are about 12 to 15 jets in the country.¹

1. [REDACTED] Comment: [REDACTED] previously estimated the total number of jets in Albania at 40, however this revised guess is considered more accurate [REDACTED]
